# FINANCIAL & BUSINESS ADVISORY

[DAPNASSOCIATES.COM](http://DAPNASSOCIATES.COM)

An illustration of a business desk with various items: a laptop, a calculator, a notepad, a pen, a mug, a clipboard with a line graph, a bar chart, and several Indian Rupee coins. The text 'What is it?' is centered over the illustration.

# What is it?

**Financial & Business Advisory means helping a business plan its finances, choose the right structure, and make smart decisions about funding and growth. It focuses on things like projections, loans, valuations, and risk so the business grows safely and sustainably.**
