

**DAP & ASSOCIATES**  
(CHARTERED ACCOUNTANTS )

**ACCOUNTING  
&  
BOOKKEEPING**

[DAPNASSOCIATES.COM](http://DAPNASSOCIATES.COM)

# What is it?

**Accounting and bookkeeping is recording all your business money coming in and going out, like sales, expenses, and payments, in an organized way. It keeps your financial records clean and up-to-date so you always know exactly where your money stands.**

# Who it's for ?

03

**Startups, small  
businesses, and  
established companies  
that need organized  
and up-to-date  
financial records.**

# How we help?

**We manage your daily accounts, prepare financial statements, process payroll, and deliver clear MIS reports, using modern cloud software like Tally, Zoho, or Busy.**

# Services Included

06

- 1. Daily Accounting & Ledger Maintenance**
- 2. Finalization of Accounts**
- 3. Payroll Processing**
- 4. MIS & Financial Reporting**
- 5. Cloud Accounting**
